May 4-10, 1975

"LET JUSTICE ROLL DOWN LIKE WATERS AND RIGHTEOUSNESS LIKE AN EVER ROLLING STREAM..." Amos 5:24

As you consider world wide hunger...consider the cry for bread and justice that comes from those hungry workers in America who, by their labor and their sacrifices feed all of us and our children...

"There is so much pain and so much work to be done...we know that we can organize workers only as long as we are willing to make sacrifices ourselves...our goal is a national union of the poor dedicated to world peace and to serving the needs of all people who suffer."
Cesar Chavez

"We are not boycotting to put anyone out of business; we are boycotting to put justice in business."
Dr. Martin Luther King, Jr.
